PROFESSIONAL PROFILE

Recent MBA graduate in Finance & IT (CGPA 8.74/10, KLS GIT) and CMA Foundation qualified (ICMAI, 2022), with three internships spanning industrial accounting, GST compliance, and cooperative banking. Proficient in SAP FICO, Tally Prime, GSTR-1, TDS, and tax document verification including Form 26AS and AIS. Open to finance, audit, and compliance roles across India.

PROFESSIONAL EXPERIENCE

Finance Intern

May 2026 – Jun 2026

Agarwal Industrial Corporation Limited, Belagavi, Karnataka

- Gained practical exposure to GST compliance including GSTR-1, TDS, and tax document verification – covering Form 26AS and AIS – building applied knowledge of indirect and direct tax obligations
- Assisted with internal audit activities by reviewing financial records and compiling transaction-level data in Microsoft Excel for the Finance & Accounts department
- Recorded and verified accounting entries, purchase invoices, and supporting financial documents in Tally Prime, ensuring accurate and up-to-date ledger maintenance

Finance & Accounts Intern

Sep 2025 – Oct 2025

Agarwal Industrial Corporation Limited, Belagavi, Karnataka

- Processed 20+ accounting vouchers – sales, purchases, and debit/credit notes – in Tally Prime, applying double-entry bookkeeping principles with zero data-entry errors across all recorded transactions
- Recorded GST-inclusive vouchers in Tally Prime by correctly allocating CGST, SGST, and IGST components across purchase and sales entries, building working knowledge of indirect tax treatment in a manufacturing setup

Banking Intern

Apr 2024 – May 2024

Shri D.T. Patil Co-operative Bank, Belagavi, Karnataka

- Supported credit risk evaluation for 5+ SME loan applications by reviewing borrower financial profiles, repayment histories, and collateral documentation under branch manager supervision
- Processed 15+ daily customer transactions with zero errors by adhering to internal control and cash management procedures
- Observed end-of-day cash reconciliation across savings accounts and recurring deposits, gaining working knowledge of core banking operations
